

DR. Robson,

**...for being so wonderful!**

And I would like to thank you so very  
much for all your help - would not be where  
he is today without you and your positive attitude.  
You were always generous with your time and you are  
truly one of a kind. I am so happy that we were referred  
to you and thanking for changing what nobody else could.  
With much kindness, all the best to you,
