

Dear Doctor Robson,

Thank you soooo much!

Thank you for helping me get through my bed wetting issue. If it wasn't for you, I would still be wearing pullups at bed time.

I'm eleven years old and you have changed my life.

I haven't been wearing the alarm for over two months now. And I'm so happy I've been waking up

dry. My parents are really really happy too!

Just wanted to let you know that you have really changed my life. And I'm so much happier

now.

THANKS FOR EVERY THING!

Dear Dr. Robson,

I recently received an e-mail from your office, informing us of your upcoming trip to Haiti. Sounds like you'll be very busy changing more people's lives for the better.

You are an awesome person. And my Husband and I just want to let you know how grateful we are for your guidance!

We could not have come this far without you! Thank you so much!

Season's Greeting! And all the best to you, your staff and your families.

THANK YOU VERY MUCH!
