

Hello Dr. Robson,

We wish you a very Merry Christmas and all the best in the year's coming.

I also would like to let you know the our son \_\_\_\_\_ has been improving tremendously with his bed-wetting in the past 6 months, with very very little "accident" at night now. Again, thank you for all your advises and support you had gave us!

Sincerely,

---

*May Christmas bring you  
the blessings of Peace, Hope and Joy*

ps. We are moving back to China in January because of my husband's job. It's been a pleasure to meet you. You're a very responsible & patient doctor!
